**THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.**

**SUBJECT:**

**DOCKET NO. 2018-380-E** - Request of South Carolina Electric & Gas Company for Exception to Commission Regulation 103-327(A) for 17 South Apartments - Staff Presents for Commission Consideration South Carolina Electric & Gas Company's Request for Exception to Commission Regulation 103-327(A) for 17 South Apartments.

**COMMISSION ACTION:**

Commission regulations require all service delivered to new individually-owned apartment buildings to be individually metered. SCE&G reports that its employees overlooked the prohibition on master metering when master metering was requested by the developer. Now several buildings are complete, and it would be difficult or impractical to install individual meters - and there seems to be a preference from the apartment owners for this type of metering such that flat rates may be charged for electric service to the residents. It would be similar to the flat rate the residents will be charged for water, trash, and internet service already.

Move that we grant SCE&G's request to waive Commission Regulation 103-327(A), but limit this waiver to the unique circumstances of this Docket. SCE&G is admonished to pay closer attention the rules that govern it.
